STUDENT'S RECORD BOOK

A Record Book is issued to every student admitted to Uva Wellassa University. This applies to Postgraduate or Undergraduate or Diploma students also.

The following rules apply,

1. This Record Book remains the property of the University until the student completes the course of study with it becomes the property of the student.
2. So long as a student is registered with the University, the Record Book must be produced at the request of any officer or teacher or any other employees of the university authorized by the Vice Chancellor as long as a student is enrolled and studied with the university.
3. The photograph should be authenticated by the embossed seal of the University.
4. An entry is authentic only if it is followed by the initials or the rubber stamp of the authorized person.
5. An alternation is authentic only if it is initialized by the authorized person in person. An academic activity related entry must be authenticated by a Lecturer in-charge of the relevant subject / programme.
6. A record of each entry may be in the student's personal file and the authenticity of any entry may be checked by reference to the authorized person.
7. The student is not entitled to write / amend any of the entry in the Record Book except the name of the subject of the degree programme.
8. Making unauthorized entries in the Student Record Book is a punishable offence.
9. A duplicate of Record Book may be obtained from the Deputy Registrar, Student Affairs division on payment of Rs. 1,000/- if adequate proof is given that the original Record Book has been lost/damaged/destroyed. The records will be updated from the duplicate available in the student's personal file by the Registrar.
10. A duplicate record book may be held with the Deputy Registrar/Senior Assistant Registrar, Student Affairs division and all entries kept in duplicate.
Authorized person: A person equal to or above the level of an Assistant Registrar.
